

FOR IMMEDIATE RELEASE

**BLINK PRODUCT DESIGN WELCOMES SWING & SACCHI
TO ITS TEAM OF FEATURED AFFILIATES**

SEATTLE, WA – Sept. 9, 2009 – Swing & Sacchi, makers of fine home and office products, have been named a featured affiliate of Blink Product Design, offering clients access to branded products primarily sold at retail and typically unavailable at the wholesale level.

The collaboration with Swing & Sacchi provides corporate customers with unparalleled access to the highest quality of promotional products that combine innovative design and superior quality.

Swing-brand products are affordable tabletop and home furnishings with current and contemporary design aesthetics and style. Sacchi-brand products are catchy gift products that mix fun with elegance.

Blink will offer several Swing & Sacchi products, including Chelsea Travel Clocks, Classic Mailable Frames and Ventura Memo and Note Pads.

The designers at Swing Ltd., through its Swing & Sacchi brands, strive to create innovative items that accentuate the beauty and honesty of raw

About Blink Product Design

Blink Product Design's motto, "Gift the Unexpected," is reflected in its distinct business product offerings, including journals, card cases, jotters, desk accessories, frames and portfolios. Blink's products elevate a company's brand and keep them remembered, through items that people love to use.

Blink is a direct product supplier, which provides customers with a better quality product and an attention to detail usually not found in the merchandise industry. The company also provides exceptional customer service by providing clients with a streamlined production process from estimates to sample approval to final delivery.

Blink is a proud contributor to 1% for the Planet and has designated Cascade Land Conservancy to receive one percent of net profits.
